PRODUCT FEATURES

The **ST Saf-Tee Siper** can sipe most tires from 12" to 24.5" with the adapters available.

- It's easy to operate and training is provided.
- Its fast; the process takes as little as 4 minutes per tire to perform.
- Most types of tires can be siped — new, re-cap, or used — as long as it has 5/32" of tread left.
- Includes 12 blade, 5-7-9-11-13 lead screws and silicone emulsion.
- Drivers everywhere are asking for tire siping because it's proven ability to increase overall tire performance. If you are not offering tire siping you're losing money and customers.
